

1. The first part of the document is a header section containing the title "THE EFFECTS OF THE 1997-1998 EL NIÑO ON THE
 2. ECONOMIC AND SOCIAL DEVELOPMENT OF THE PHILIPPINES" and the author's name "JOSEPHINE S. DELA CRUZ".
 3. The second part is the abstract, which states: "This study examines the effects of the 1997-1998 El Niño on the
 4. economic and social development of the Philippines. It focuses on the impact of the event on the
 5. agricultural sector, which is the main source of livelihood for the majority of the population. The
 6. study finds that the El Niño event had a significant negative impact on the agricultural sector, leading
 7. to a decline in crop production and a loss of income for farmers. This, in turn, led to a decline in
 8. the overall economic growth of the country. The study also finds that the El Niño event had a
 9. significant impact on the social development of the country, leading to a decline in the quality of
 10. education and health services. The study concludes that the government should take measures to
 11. mitigate the effects of the El Niño event on the agricultural sector and the overall economic and
 12. social development of the country."
